Managing payroll and employee attendance just got easier with Pyramid Time Systems 4000 and 4000HD Time Recorders offered by Owl Time Clock. Both have fast payroll processing systems that will accommodate up to 100 employees. Save time and money by eliminating errors with automatically calculated time totals for weekly, bi-weekly, semi-monthly or monthly payrolls. The built-in battery allows for up to 30-days of backup in case of power failure. The 4000HD model offers heavy-duty steel construction to withstand years of use in harsh environments such as manufacturing plants, industrial garages and commercial locations.

4000 & 4000HD Time Recorder Features:

- Accommodates 100 employees
- Automatically calculates daily, weekly, bi-weekly, semi-monthly or monthly payrolls
- Auto top-card feed and alignment
- Can be programmed in regular time, military or true military time (hours and 100th of hours)
- No resetting required for short months, leap year, or Daylight Savings Time
- Rounded time option: 5, 10, 15-minute rule
- 30-day battery backup
- Sends internal signal with optional relay for additional wall clocks and bells
- Prints in 4 languages: English, French, Spanish, German
- Wall or desk mountable
